From the East

Hello My Dear Brothers,

I hope this finds you and yours safe and well. As I write this, vaccine distribution has been progressing at a heightened pace and many of the Craft's members have or soon will be able to receive their shot (s). This hopefully means that we will be able to visit with family and each other again in the not-too-distant future. Please remember that should you find yourself in or approaching financial hardship that your Brothers are here to support you. Our Grand Lodge has a fund in place to assist you. All you need do is ask and your request will be treated with the utmost care and confidence.

On top of everything else since our last meeting, we have had a challenging few months. Three of our members were called to the Celestial Lodge above and went to be with our Great Architect. On 2 February, Wayne L Moreland, PM, on 1 April, Weldon J. (Jack) Campbell, Jr., PM and on 11 April, Stewart W. "Woody" Bently, Jr., PM. These Brothers will be sorely missed. Please keep their families in your thoughts and prayers.

Continuing our theme, "Industrious Learning", we will receive three papers on Saturday 29 May at 10am. Timothy A. Dahlman, PM will present his paper entitled "Possible Origins of An Obscure Masonic Charge", Roger W. Peak, PM will present his paper entitled "Freemasons Who Signed the Major Founding Documents" and Farley W. Warner Jr., PM will present his paper entitled, "Revolutionary Brotherhood". We will meet virtually, open and not tiled with no ritual being used, via the Zoom platform on your computer or mobile device at 10am. Using this medium will allow you to view the presentations live. You may choose to call in but please recognize that you will not be able to view anything this way. If you have any questions about using the technology or would like some assistance with connecting, please reach out to me prior to Saturday and I would be happy to help.

If you will be participating in our virtual meeting, we will start at 10am on Saturday 29 May. This meeting will be open, not tiled, with no ritual being used. Please plan to join us from 9:45am for some social time, while giving us a few minutes to ensure any technical difficulties are resolved. And please mute your microphone on entry to avoid any disturbance for others! I would hope you will join us in relaxed attire with your favorite morning beverage and maybe a sweet treat close at hand.

WHAT IS FREEMASONRY?

"We're a group of men who meet on the level, act upon the square, and walk uprightly in life. We take good men and make them better by the teachings of Masonry, and work towards brotherly love, relief, & truth."

by our late friend and Brother, Charles Richard (Dick) Walk

The papers will be provided to the officers on 1 May for their review with any questions being collected by me by 15 May. I will forward any questions received to the authors so they can formulate their answers and return them to me. Along with the papers, any corresponding questions and answers will be presented to everyone on our virtual meeting on 29 May. After the meeting, everyone will have a 14-day period for any further questions to be submitted. I will coordinate with the authors and provide those answers to everyone by the end of June. This procedure will allow us to ask thoughtful questions, receive insightful answers and manage the duration of our virtual meeting.

At our meeting on 30 January 2021, we received a paper from Brother Matthew T. Duley entitled “Masonic Relief During The Pandemic” and a presentation from Chris Ruli, PM entitled “The Rise and Fall of Temple Heights”. They were both very well received and in fact, inspired others to begin research in areas they had long wanted to explore.

We still have a few vacancies to fill in 2021. We need a new Librarian and Research Officer as well as District Liaison Officers who will be responsible for sharing the good fortune that ADSLoR brings to the Craft, by all available means. Please reach me if you have both the time and interest.

Regarding membership and dues, I remind you to please do your part to sustain our Lodge’s primary lifelines. First, extend invitations to Brothers whom you recognize are looking to enhance their Masonic journey!! Second, remember to pay your dues. At a cost of fifteen dollars (\$15), it is arguably the best return on investment in Masonry. Our Lodge is now receiving payments via PayPal (see page 1) and through our website. Otherwise, payments should be mailed to our Secretary at 4123 Galesbury Lane, Chantilly, VA 20151.

Throughout the year, your Trestleboard will be the source of information for upcoming events and activities. It will be published by the 1st of the month in the months which we meet, via email, on our webpage and Facebook page. Please do take the time to review it so you can participate. Your team is excited to serve you and we look forward to all of us working together to make A. Douglas Smith Jr. Lodge of Research No. 1949 a beacon of light in the Research Lodge community that good men may find us curious and then worthy of the investment of their time and commitment. Please reach me at any time at adslor.wm@gmail.com or on my direct line at 703-899-8590.

Sincerely and fraternally yours in friendship and service,

Ray
